

SLÄTTÖ

Off-cycle Management Intern – Spring 2025

We offer 10-16 weeks paid internship, where you will gain experience from a private equity firm, supporting key business areas in an exciting and fast-growing environment with a committed and entrepreneurial team.

February – May 2025 | Stockholm

About Slättö

Slättö is a private equity real estate investor with a Nordic focus. We seek to deliver consistent market-leading returns for our investors through thematic strategies, local expertise, clear values and a committed team. The Slättö funds collectively manage assets of EUR 2.5bn. Since inception in 2013, the firm has executed +200 transactions with a total transaction value of EUR 4bn. With a forward-looking approach, we prioritize sustainability as key to the long-term success of our investments.

About the job

You will work with experienced team members across key corporate functions such as Investor Relations, Financing, Sustainability and Fund Management. As a part of the team, you will gain experience in:

- Perform analysis supporting strategic business plans
- Create pitchbooks and participate in due diligence activities within fundraising
- Perform commercial analysis such as industry- and peer analysis
- Assist in preparing financial- and quarterly reports for the funds
- Participate in corporate governance processes through development of templates, reports, and standards for Board communication
- Support implementation of sustainable business strategy, integrating sustainability goals across the business and within investments

Who are you?

- You are a student in your 3rd to 5th year in studies within finance, business administration, engineering, real estate or equivalent
- You are analytical, curious and have a business-oriented mindset
- You are a team player with problem solving skills and a genuine interest in private equity
- You thrive in an entrepreneurial, high paced environment where your ideas and thoughts are valued
- You have a good knowledge of Excel and PowerPoint
- You have a good ability to express yourself in speech and writing, both in Swedish and in English
- Prior experience from private equity, finance, consulting or similar is an advantage

How to apply

Send your application and CV to applications@slatto.se

We look forward to receiving your application!
