

Full-time paid internship opportunities autumn 2023

Do you want to work closely with our investment team and gain experience from both acquisitions and divestments? Do you want to work with business development in an exciting and fast-growing environment with a committed and entrepreneurial team?

Join us for an internship!

What can we offer you?

We offer you 10-16 weeks paid internship during September – December 2023, where you will be part of our investment team focusing on transactions in Sweden and other Nordic countries.

You will be involved in acquisition and sales processes where you will participate in evaluating business cases as well as in the development of business plans and business development of new and existing projects.

You will work with senior and experienced team members and get the opportunity to meet with property owners (public and private), banks, and other counterparties as well.

Examples of tasks:

- Financial modeling of investment opportunities.
- Participate in preparations of decision material for the investment committee.
- Participate in DD processes prior to property acquisitions.
- Assist in the preparation of quarterly reports for the funds.
- Production of data and analysis supporting strategic business plans, acquisitions, and divestment strategies.

Who are we?

- We are a private equity firm focusing on real estate within the Nordics.
- Our Funds collectively manage assets of SEK + 16 bn with an ambition of reaching SEK 50 bn in assets under management by 2025.
- We have raised seven funds and executed more than 100 transactions with a total transaction value of SEK +30 bn.
- We are a growing team, currently +55 people based out of Stockholm, Helsinki, Norrköping and Malmö.

Who are you?

- You are a student in your 3rd to 4th year in studies within finance, business administration, engineering, real estate or equivalent.
- You are analytical, curious and have a business-oriented mindset.
- You are a team player with problem solving skills and a genuine interest in private equity.
- You thrive in an entrepreneurial, high paced environment where your ideas and thoughts are valued.
- You have good knowledge of Excel and PowerPoint.
- You have a good ability to express yourself in speech and writing, both in Swedish and in English.
